

Finance Team

As a continued effort of our financial communication, the next two “Expense” categories in our monthly financial report will be further explained so you are more aware of how your tithes and contributions are equipping us to change lives. The category titled “**Children’s Ministries**” (\$16,000 budgeted annually) is utilized to cover the expenses associated with the ministries and programs under the direction of our Director of Children’s Ministries. These numerous ministries and programs are inclusive of our children and Tweens up through the sixth grade. The category titled “**Christian Education**” (\$8,625 budgeted annually) is utilized to cover expenses associated with the purchase of educational and learning material for our Sunday morning small groups and classes.

If you have any questions on these reports, please don’t hesitate to ask or call myself, Patrick Raney, members of the Finance Team (Glenn Cobb, Phil Anderson, Tammy Whittle, Ben Klugh, Peggy Smith) or the Stewardship Team (Jeb Williamson, Dan Wilhite)

Neil Ed Rainwater
2018 Finance Chair
